Grow Group Questions for September 15th 2019.

Sermon: “Our War.”

I want to draw your attention to my blog from last week... Particularly the closing paragraph:

“In Galatians 6:2 Paul exhorts us, “Bear ye one another’s burdens, and so fulfill the law of Christ.” Sunday worship is a wonderful time where we all come together to share the Lord. There is power there. But the power doesn’t end there. The real relationships grow outside the auditorium.

Sermon based Grow Groups start up September 15th. They are “sermon based” but the purpose of the groups is not to dissect the sermon. What I hope is for the sermon to be a springboard into meaningful time together... a time where we share our God stories, where we share what the Holy Spirit is doing, where we share our burdens. I further hope that these groups will be hotbeds of prayer... not just laundry lists of things for God to fix, but prayer to seek His will, to see Him glorified. More than that, more than anything, I hope that you will experience His presence in a unique way.”

Before you begin the questions take time to catch up with one another and share what you are thankful for. There is power when we come before God in thanks for what He has done and is doing.

Questions.

1. Do you have a God story from this summer... an experience of the love of Christ and the power of the Holy Spirit?
2. The sermon was about the spiritual battle that God has called us to as Christians. What from this sermon impacted you most?
3. I said that, “You cannot conquer what you won’t confront.”
 - What challenge have you confronted in which God gave you victory?
(What was that like?)
 - What is your biggest challenge right now?
 - Where do you think God is calling you to battle? (What are you going to do?)

I really, really want you to have a serious time of prayer. Get creative! Turn out the lights. Get on your knees. Open it up to everyone to pray. Or don’t... but whatever you do, don’t let your prayer time be boring and rote. Don’t let it be formulaic. Get real. Talk with God like He’s actually here. Drink in His presence and be refreshed! If someone shows up seriously struggling don’t be afraid to skip the sermon all together. Let the Spirit lead you.
