“We Are One.”

October 27th 2019.

How can people who seem to be opposites be brought together? Now more than ever race, class, and social status are the dividing lines that prevent unity and progress in our world. However, through the power of the Gospel of Jesus Christ unity, reconciliation, and healing is possible.

Questions.

1. What is your definition of Oneness?
2. Are we called to unity or uniformity?
3. Do we have the same love for each other, that Christ has for us?
4. What keeps me from loving others?

Remember There Is More!
