## Grow Group Questions for November 3<sup>rd</sup> 2019.

### Sermon: "Love Never Failing."

In a world that is struggling over absolutes... whether there are any and if so what they are... we have the final absolute. The final absolute is the love of God. All creation came out of that love. Reality itself is dependent on that love. All other loves flow out of that love. To know God is to know Love... to live in Love.

Begin with a time of silent meditation together on the love of God. Then perhaps after several minutes pray aloud your prayers of thankfulness for the love that you have experienced.

#### Questions.

1. Who are the three people in this world who love you most?
  - Why do they love you like they do?
  - How far do you think they would go for you?
  - How far do you hope you would go for them?
2. What is the greatest experience that you have had of love?
  - Of God's love in your life?
  - From a person in your life?
  - In 1 John 4:13 John says "We know that we live in Him and He in us because He has given us of His Spirit."... Have you ever heard God call your name? How have you experienced His Spirit?

Don't be afraid to pause at any time in your discussion to pray over someone or something.

End the time with prayer.
