## Bible Study Fellowship

## Blessings

For the past 8 years Singing Oaks has hosted Bible Study Fellowship on Monday nights.

This is a group of

about 400 ladies and their children who are dedicated to studying the Bible once a week for nine months. One of the blessings this church receives is that 25% of the monies collected are donated back to the local church that is hosting them to cover expenses. In 2019 Singing Oaks received \$1,800 in donations from the ladies at BSF.

2020 Go Trips can be viewed online. If you are interested in applying, you can access all the trip information by any of the following methods:

# Welcome to Singing Oaks Church of Christ

We are glad you are here! If you are new to Singing Oaks, we want to assure you that our purpose in coming together is to give honor to God in our worship, and to try to do everything in a manner pleasing to Him.

*Singing Oaks Church of Christ is called to love God and love others as Jesus loved. We believe that this decision to love matures in each of us as the power of the Holy Spirit works through us to make disciples of Jesus Christ.*

## Land Development Update

ECM Development has been meeting with city staff getting everything in order to take their concept plan before City Council for final approval. So far so good as the different levels of city government needed to approve the plan have signed off on it. Working through the approval process with the City of Denton is time consuming. ECM is very optimistic that they will receive final approval, but have asked to extend the option and permitting period to April 27, 2020 to receive final approval to begin. Their concept plan called Eden Villas includes approximately 151 single family homes and 74 townhomes and duplexes all on tree lined streets connected by walking trails and parks.

## Cold and Flu Season is Upon Us!

During this season of flu, colds, and other illnesses, please be mindful to keep sick children at home. We have several nursery servants and teachers with compromised immune systems. There are non-invasive, no touch forehead thermometers available at the Children's Check-In on the Preschool Hall and the Nursery if you need to check your child's temperature before class or worship. Thank you for respecting our servants and other children!

On February 16 we are going to Pack The Pantry. Empty bags and grocery list will be available next week. Fill a bag with food to help

feed the hungry in our city.

## Kitchen Cleanup

If you use the kitchen, please make sure it is left clean and all dishes washed and put up. The church's

Janitorial service is here 3 days a week, washing dishes is not part of their contractual duties. Thank you for your cooperation.
