INTRODUCING THE CHURCH CENTER APP

A dedicated space for people to connect with the life of our church.

So, what does it do?

After you download the app, find Singing Oaks Church of Christ and follow prompts, then you can:

• **View and Sign up for Groups:** Groups are the primary method for our church to disciple one another in a relational context. We want to help get people connected!

• **Register for Events:** You can search through our upcoming events by category and then complete a full

registration, including payment.

• **Give:** Enter how much you want to give, specify which fund you want to give to, and which payment method you want to use.

On February 16 we are going to Pack The Pantry. Empty bags and grocery list are available this week. Fill a bag with food and bring it back next week to help feed the hungry in our city.

Grow Groups

Have you signed up for a Grow Group yet? The winter session just started last week so it's not too late to make connections with people. There are groups meeting every night of the week. Some groups meet here at the building and some meet in homes. Some groups have a meal, some have dessert and some groups don't eat at all. All groups have a common purpose in getting to know one another in a relaxing setting to discuss things pertinent to living like Jesus in the 21 century. You can get on Church Center or call the office to find a group just for you.

2020 Go Trips are online and deadlines for application are approaching fast. If you are interested in applying, access all the trip information by any of the following methods:

Welcome to Singing Oaks Church of Christ

We are glad you are here! If you are new to Singing Oaks, we want to assure you that our purpose in coming together is to give honor to God in our worship, and to try to do everything in a manner pleasing to Him.

Singing Oaks Church of Christ is called to love God and love others as Jesus loved. We believe that this decision to love matures in each of us as the power of the Holy Spirit works through us to make disciples of Jesus Christ.

Cold and Flu Season is Upon Us!

During this season of flu, colds, and other illnesses, please be mindful to keep sick children at home. We have several nursery servants and teachers with compromised immune systems. There are non-invasive, no touch forehead thermometers available at the Children's Check-In on the Preschool Hall and the Nursery if you need to check your child's temperature before class or worship. Thank you for respecting our servants and other children!

Kitchen Cleanup

If you use the kitchen, please make sure it is left clean and all dishes washed and put up. The church's Janitorial service is here 3 days a week, washing dishes is not part of their contractual duties. Thank you for your cooperation.
