## Black Ties

### A Black History Celebration

Come out and experience the Sounds of Africa. Sunday, February 23 at 5:30 pm in the SOCC Gym, and how it influenced and still is Influencing the Sounds Of America. The Father Of Ragtime, Scott Joplin and many other African American Composers brought African sounds and practices from the different African drums and applied them to Piano and other instruments to create something new and these pieces emphasized a play on syncopated Rhythms and Participatory pieces that included everyone in attendance. Joplin's Legacy and influence eventually gave birth to popular music like jazz, swing and the blues. Music is so important and uplifting in many cultures around the globe. And it truly brings us together and so, we are bringing Africa, ragtime and all those things to the Singing Oaks Gym through music, dance, and spoken word. You do not want to miss this event that puts its stamp on culture, community, and togetherness! Our Special Guests are Bandan Koro African Drum & Dance from Dallas, Texas, Dominique Briscoe, Victoria Dawson, and More! We hope to see you there! Bring your comfortable shoes.

# Welcome to Singing Oaks Church of Christ

We are glad you are here! If you are new to Singing Oaks, we want to assure you that our purpose in coming together is to give honor to God in our worship, and to try to do everything in a manner pleasing to Him.

*Singing Oaks Church of Christ is called to love God and love others as Jesus loved. We believe that this decision to love matures in each of us as the power of the Holy Spirit works through us to make disciples of Jesus Christ.*

Singing Oaks is required to safe place train all teachers and helpers in our youth and children's ministries. Our insurance requires this training, but it is also a beneficial learning tool for all of us who work with the children in our church family, whether through Leadership Training for Christ, Camp Victory in the summer, or Attended Nursery during Sunday Worship Services or teaching a Bible Class. God simply asks us to be obedient, and sometimes obedience looks like a background check and 45 minutes of prevention training. And, as a Safe Place Trained Volunteer you are also required to wear a photo ID badge while teaching or working with children and youth. If you have misplaced or cannot find your ID badge please contact the church office, 940.387.4355 or office@singingoaks.org Thank you for loving our church family and keeping your Safe Place Training up to date! If you have any questions, please contact Laurie, Beau, or Kim.

## Land Update

The sale of the land is progressing. Everything is still looking good, but working through the City of Denton is a slow and time consuming process. Right now the city is requiring a detailed traffic study to determine the size and capacity of the road being required from East to West to connect Mockingbird and Loop 288. Once the traffic study is completed the Planned Development concept will be submitted to Planning & Zoning for approval. The buyers are hopeful the closing on the sale will be finalized sometime in April.

Thank you! This church is where I first learned how to serve and I have since learned so much from my Singing Oaks family. I am so grateful for your contribution to my medical mission this summer. I'm really excited to learn about what medical missions looks like practically and I'm even more excited to see what the

Lord has planned and how He's going to work. Thank you for joining me on this journey as I explore God's calling for my life. Thank you!

## Cold and Flu Season is Upon Us!

During this season of flu, colds, and other illnesses, please be mindful to keep sick children at home. We have several nursery servants and teachers with compromised immune systems. There are non-invasive, no touch forehead thermometers available at the Children's Check-In on the Preschool Hall and the Nursery if you need to check your child's temperature before class or worship. Thank you for respecting our servants and other children!

## Kitchen Cleanup

If you use the kitchen, please make sure it is left clean and all dishes washed and put up. The church's Janitorial service is here 3 days a week, washing dishes is not part of their contractual duties. Thank you for your cooperation.
